

Precix Product Profile

E17456 (E88) EPDM Product for General Purpose Applications

General Information

- Excellent Resistance to Water, Anti-Freeze & Brake Fluids
- Excellent Heat Resistance properties to 150° C
- Excellent Low Temperature properties to -55° C
- Good Ozone and Weathering Resistance

Applications

- Static Seals
- Environmental Seals
- Plumbing Systems

Material

- Purple in Color
- 100% Virgin Materials
- Meets Specification ASTM D2000 3DA710A26B36EA14F19Z1
